

Resilience, continuity, confidence.

Retail & supply chain support

Acorn has over 30 years' experience of recruitment in to the food and retail sectors and their supply chains. UK-wide coverage – 45 locations with revenues of £180 million, providing circa 6,000 workers to over 1,200 clients.

Experienced team of recruitment and industry professionals.

Multi-specialist provider: production, logistics, warehouse, supply chain, merchandisers, administration, management, and so on – throughout the UK.

Financially-strong, backed by our international parent company Synergie Group, with €2.6 billion turnover across 16 countries with over 745 offices / branches.

Experienced with a proven track record of providing recruitment services to the critical supply chains in times of crisis; eg. foot and mouth, fuel crisis, 9/11.

Dedicated specialist team currently providing 24/7 assistance to critical / key industries during this period.

With access to a large pool displaced candidates affected in non-critical industries that are ready for redeployment.

Quality-assured and fully-compliant with all industry regulation – GLA, Sedex, REC, etc.
